Anesthesiologist Assistant Program with Outcomes

CAAHEP-accredited Anesthesiologist Assistant educational programs track and report outcome measures annually to the Accreditation Review Committee for the Anesthesiologist Assistant (ARC-AA).

The most current ARC-AA Annual Report was for the calendar year 2025.

The information below is required for programs to post. Programs may post additional information.

Programs with 3 or more years of outcomes.

Outcome	2025-2024-2023
Retention	
NCCAA Examination - 1 st Time Pass Rate	
NCCAA Examination - Cumulative Pass Rate	
Positive Placement	

Programs with less than 3 years of outcomes.

Outcome	2025	2024
Retention		
NCCAA Examination - 1 st Time Pass Rate		
NCCAA Examination - Cumulative Pass Rate		
Positive Placement		

Program with No Outcomes

There were no graduates during the 2025 reporting year.
